3rd June, 2021

TO: **COMPUTER SCIENCE/TECHNOLOGY FINAL YEAR STUDENTS**

Dear All,

RE: FINAL PROJECS NOTICE

Kindly note the following

1. That each of you is required to do a final year project individually as a prerequisite for your graduation at your fourth year of study
2. That you need to prepare for the proposal presentation which will be held on 1st and 2nd July 2021 as from 9.00 a.m.
3. That you need to find a supervisor who will be your first supervisor and thereafter the project coordinator will assign you a second supervisor. The class representatives, kindly send a list of your class members and their contacts (email and phone numbers) to hratemo@jkuat.ac.ke . Treat this as URGENT
4. That you need to complete the attached Agreement log with your supervisor that you have selected
5. That you MUST always complete the attached "Project supervision form" for semester 1 by the indicated weeks. You will not be allowed to present if you will have not met your supervisor. THIS IS VERY IMPORTANT!
6. That you will have two presentations this semester
   - Project proposal presentation on
     - First Proposal **17th and 18th June, 2021**
     - Second Proposal **1st and 2nd July, 2021**
     as from 9.00 a.m.
   - Literature review presentation on **(Date to be announced)** as from 9.00 a.m.

Additionally,
Computer Technology Students: End of Semester 1

1. 2 bound signed copies + a soft copy of your project documentation from Proposal to Literature Review
2. Your progress reports and copy of learning agreement

Computer Technology Students: End of Semester 2

1. 2 bound signed copies + a soft copy of your project documentation from SAD to implementation
2. Your progress reports and learning agreement

Computer Science Students: End of Semester 2

1. 2 bound signed copies + a soft copy of your project documentation from Proposal to implementation
2. Your progress reports and learning agreement

Sincerely

Harriet Ratemo
Project Coordinator, Computing Department
